ARTISTS' STATEMENT

Wednesday's Watercolourists is a group of artists who meet every Wednesday and have done so for the last 6 or more years to explore and participate in their passion for watercolour painting, learning from and enjoying each other's talents and company. They often take part in various workshops together and love visiting galleries and taking part in other painting opportunities.

They have chosen Aussie Ark as the charity to support. Aussie Ark was established in 2011 as 'Devil Ark', with a focus on saving the iconic Tasmanian devil from extinction. Since then and due to overwhelming success, the role of the organisation has expanded, and now has vision of creating a long-term future for our threatened Australian species. Aussie Ark will secure wild sanctuaries to conserve our native wildlife, free from unnatural predation. Aussie Ark is an adaptive, innovative, private organisation, committed to changing the trajectory of declining species. Aussie Ark is an incorporated association, registered environmental organisation and charitable institution under the Australian Charity and Not-for-profit Commission.
